Retired Army Colonels Kimberly B. Nash and Kenneth Nash were honored with "soldiers" made by Jay Henry, center. Ken is a resident of CLVI and his daughter, a West Point graduate, lives in Kansas City, Missouri. A logistician, Kim retired in 2021 with 25 years of service to this great country. Ken served the U.S. Army as an infantry airborne ranger retiring in 2009 with a total of 46 years counting his years of teaching ROTC.

*Long May She Wave...*

President Woodrow Wilson proclaimed June 14th as Flag Day in 1916. Congress established National Flag Day in August, 1949. Flag Day commemorates the adoption of the flag of the United States of America by resolution of the Second Continental Congress in 1777. Displaying the flag honors the history and heritage of our great Country.

**Honoring our Veterans** "one soldier" at a time, Jay Henry spends his free time creating these wooden soldiers of all branches of the service, Army, Navy, Air Force, Marines and Coast Guard. He presents them to CLV veterans.

To the left, bottom, Jay surprises neighbor and CLVI resident, Harold "Hud" Schreckengost, with an Army "soldier". Hud is a Vietnam Veteran as are many of the recipients. Shown below are the five branches. Each carry a flag as shown in the center "soldier."

Please join us in welcoming our new employee, Bonnie Daniel. As most of you know, Jeff Maples has retired, so you will be seeing Bonnie on the golf cart instead. When you do, please make her feel welcome! She is doing a great job to beautify the community.

Renovations are almost complete. The library furniture for CLVII is ordered as well as book shelves and both should be delivered by the time of publishing (fingers crossed).

CLVI clubhouse has been painted and the ceiling tiles replaced. The library furniture is in place and artwork has been hung. Book shelves will be completed hopefully by the time this is published. We are waiting on one that is on back order.

The office will email all residents of CLVI when the clubhouse will be closed for renovations.

REMINDER: All activities in the clubhouse must be scheduled and approved by the President of the Residents Activity Committee (RAC) before posting information to the community. If not approved through the RAC, it cannot be scheduled in the clubhouse.

This is a reminder that all pet waste must be picked up at the time it occurs and please don't allow your pet in other people's yards no matter the time of day. Ideally, use your own lot or the dog park for that purpose, still picking up the droppings as soon as they occur. Please respect others' yards as not everyone is agreeable to pet feces on their grass. Your cooperation is appreciated.

Jennettie Lierman

2023-2024 President

Board Members: Barb Clymer, V.P.; Linda Caton, Sec.; Suz Meyer, Treas.; Donna Corcoran, Historian; Directors: Sandy Gilbertson, Martha Ackerman, Jay Henry, Dave Vossberg.

Bob Miller and his teams are busy updating our clubhouse and amenities in both parks and there's light in the tunnel.

Now it's our turn, CLVI's clubhouse is closed to everyone. EXCEPT the bathrooms are available only if workers are not in that area. Then the bathrooms are closed.

Saturday Coffee Hour will continue on the patio or tiki hut during renovations. Please bring your Saturday drink and a lawn chair. Donuts will be provided as usual.

At our last Residents Meeting in April many questions and comments were brought to the Board's attention. I emailed Terry with your questions and comments.

The residents at the meeting in April were informed that someone used the new grill and flat grill and neither grill was cleaned for the next resident's use. After a discussion, a majority of residents agreed we need to post signage and a sign up sheet for the grills. This also means **when you want to reserve the clubhouse (any room), patio, tiki huts, please contact me (Jennettie, 618-303-3501) for availability and confirmation of your gathering.**

The availability of bathrooms during the renovations is discussed in the above paragraph.

As for the Waking Trail, let's be creative. I say practice the conga line! Or the line dance Hokey Pokey. Meet on Saturdays after Coffee Hour.

The Fire Pit is ready. It has a timer of either 15 minutes or longer. Fire Pit takes about 15 seconds to show fire. **Please No Cooking on the Fire Pit!**

The Billiards tables are now in CLVII's Game Room. The tables are available to both parks to enjoy.

Our Library is pretty much laid out but still a lot of work is needed with dusting the new shelves and rearranging the books back to proper order. The Copier is also ready to go.

Our new grill on the patio is ready to use. Please call the office for instructions **BEFORE** using the grill for the first time. Cleaning supplies and scrappers are now stored in the new grill storage bin.

*That's all for now. Have the best day you can.*

Our Library has four new tables and 16+ new chairs.

From high winds I counted 24 trash cans blown about the street waiting for trash pick up and 4 gutter downspouts missing, 2 Ospreys carrying dinner in their mouths, 1 Owl hooting to his girlfriend two trees over asking her to go out tonight, 1 Rooster crowing earlier than I would like to hear in the wee morning hours, 1 Wood stork circling over my head (WATCH OUT!), 1 House SOLD and 12 houses for sale.

## CLV Resident Advisory Board

Bob Miller, owner of Country Lakes Villages, has an Advisory Board in place, comprised of residents from both parks: CLVI-Sandy Gilbertson, Sue Eckert and Bruce Steltzer; CLVII-Sue Dibble, Kevin Karcher and Bree Borders with Cheryl Koepke who chairs the board. The Advisory Board handles certain responsibilities until such time that these responsibilities can be undertaken by the HOAs in each community. Mr. Miller will determine when that transition can take place.

Through the Advisory Board, resident issues are facilitated with Terry West, manager. A form has been created so that your concerns can be submitted in writing to any board member. Forms are available in both clubhouses and from any board member. With Mr. Miller's approval, issues submitted to the board are those which affect more than one household. You are advised to deal individually with Terry West, manager, for personal issues.

The annual review of Rules and Regulations normally done with HOA boards are now done with the Resident Advisory Board. Other responsibilities include the review and approval of social funds, the direction of improvements in the parks, along with other issues that may arise.

## Saturday Coffee Hour Begins at 8 a.m.

Clubhouse opens at 8 a.m. for free coffee and donuts. At 8:30 a.m. the Sunshine Report is given along with the recitation of the Pledge of Allegiance, followed by a short business meeting which gives updated information on various social events, travel information, etc.

There is also a 50/50 drawing.

The pretty Pink Flamingos have been visiting Country Lakes Villages I quite often this past couple of months. On April 20 a large flock visited Jay Henry, shown left, to wish him a very Happy Birthday! On May 4 ten of the pink flock showed up on the lawn of Carole DeMoura to wish her a delightful Happy Birthday! And yet again, 10 of the birds also flew in May 4 to welcome Colleen Wolfe back from her Ohio trip where she met three new great-grandchildren! All donations go to the Southeastern Guide Dogs, an annual CLVI project.
