There are vehicles being stored at the CLVI storage lot with expired registrations that need to be brought up-to-date. Please take care of this as soon as possible.

Armadillos are a problem that is often reported at CLV. They are looking for insects or worms and the best way to rid them from your yard is to repel them with scents they hate. You can go with Mole Max, a commercial product that is at Home Depot. It worked for me, but is expensive at around \$25. Epsom salts, cayenne pepper, pine, castor oil and vinegar are also effective. These strong smells will overwhelm their nose, repelling them from the area. Google it for the recipes, as trapping them isn't an option.

Please do not feed the alligators or disturb them in any way. Doing so will result in them being removed for safety reasons as had to be done in the past.

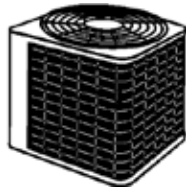

Both clubhouses have been painted with the office being next. Touch up is scheduled and the office will be done soon. The CLVII library will hopefully be completed soon. Staff will be painting the decks

under entries and pool areas where needed. There should only be a minor inconvenience associated with that work as paint dries pretty fast.

Please be patient as we near the finish line on most improvements. There are still improvements to complete, but the accomplishments in the first year are impressive.

The gate plans are being finalized with the engineer and is forthcoming. I will update with further information as I receive it.

I hope you all have a safe summer.

SAFETY TIP

Have you're A/C checked regularly every 6 months. It can save lives and your home!

Board Members: Barb Clymer, V.P.; Linda Caton, Sec.; Suz Meyer, Treas.; Donna Corcoran, Historian; Directors: Sandy Gilbertson, Martha Ackerman, Jay Henry, Dave Vossberg.

Our Clubhouse is officially open for all to enjoy.

THANK YOU to: Bob Miller, for all our new stuff. Tracy Bruce for transforming our clubhouse with its new look. Terry West and all your staff for working with all the vendors and everything else you did to bring together a beautiful place to gather with everyone.

Terry West was also instrumental in opening the clubhouse ahead of schedule so we could enjoy our July 4 picnic inside and not outside in the heat.

Sandy Gilbertson, Eileen Vazquez, and their Volunteered Team planned a wonderful picnic on the Fourth of July. Our surprise dessert truck was a delicious treat! Hopefully they will come again.

We will resume Potluck on Friday, August 4, 5:00 for social hour and 6:00 to eat.

Saturday Coffee Hour is also meeting back in the clubhouse. 8 a.m. for coffee and donuts, then a short meeting and Sunshine Report at 8:30 a.m.

Who is hosting Ladies Luncheon this month?

Dine Out on Wednesday, August 16 will be at Sea Hut and hosted by Trudy & Steve Littleton. Page 11 will have all the info.

The annual pool party is Saturday, August 19, Noon-3 p.m. Food, music and new toys for the pool. See page 1 for all the details.

Thank you, Sandy Gilbertson, for keeping our Book Club interesting this summer. Meets on the third Thursday of every month.

That's all for now. Have the best day you can!

Bring a little Sunshine to Someone's Day

Obituaries:

Robert "Skeeter" Hughes, Lot 715, passed away in June at Westminster Sun-coast in St. Pete. Skeeter was 73 years old and was a resident in our community for many years. Skeeter LOVED watching football games, particularly the Miami Dolphins and Alabama's Crimson Tide. He sat outside under his carport so he could visit with the neighbors and the passersby. Please keep Richard, Carol, Andy and the Hughes family in your prayers. Cards can be sent to Lot 809.

Bob Fenstermaker, brother-in-law of Barb and Tom Clymer, Lot 232, passed away in Ohio from cancer in June. Bob was married to Barb's sister Joanne, who also passed away in December 2022 from complications of COVID. Please say a prayer for Barb, Tom, and family.

Well Wishes to Snowbirds: **Anita Hadcock**, 14780 Hadcock Dr, Sterling, NY 13156; **Chris Hetrick**, 208 O'Connell St, Fox Lake, WI 53933-0421; **Tony Yonak**, 229 Oaklawn Ave, Woodsfield, OH 43793.

Bertha Sampson, Lot 321 fell on her shoulder the last week of June. Where the break is she cannot have a cast. Her arm is in a sling. I think they are still traveling in their RV. Their Canadian address is: 154 Angevine Lake Rd, Wallace NS, CAN BOK 1YO.

Well Wishes in Sunny Florida: **Ray Bianco**, Lot 504; **Rebecca Colby**, Lot 717; **Greg & Cathy Kasch**, Lot 552; **Trudy & Steve Littleton**, Lot 1002; **Mickey McMahon**, Lot 1003 **Patty Milhoan**, Lot 520; **George Milne**, Lot 272; **Don Renaldo & Betty Seagraves**, Lot 316; **Gwen Reynolds**, Lot 526; **Carol Wagstaff**, Lot 201.

Keep in your prayers **Carol Palmer**, Lot 716. She has been moved to an acute care facility. Kindred Hospital Bay Area-St. Petersburg, 3030 6th St. S., St. Petersburg, FL 33705.

THE CLUBHOUSE IS OPEN! "No Postage Needed" is back in business in the clubhouse hallway. Check the appropriate slot to see if you have a card waiting for you that will hopefully bring a smile to your face.

As a caregiver in the last year for my Mom and later my sister, Linda, I can tell you firsthand the responsibility you take on and how your retirement life of fun changes your focus to love ones. I am the primary caregiver for my family and Mike manages all the other daily stuff so I can concentrate on them. My younger sister, Dawn, is also helpful.

And in many cases caregivers only have themselves to rely on for everything. But in our community, call your neighbor or friend and you'll have help, if only to talk or give a hug. That's our best feature in this community.

Please say a prayer for all our caregivers. Stay healthy, rest when you can, and love each other like there is no tomorrow. If I did not mention your name this month and you are feeling blue, hopefully you will be in the pink again soon.

EVERYONE COUNTS!

To Create A Strong Community

Dear Fellow Residents,

There are three groups in our park that represent different areas of responsibility:

- Residents Advisory Board handles certain responsibilities including, but not limited to, overseeing the disbursements of social funds to the RAC. *See Page 9 for further responsibilities of the Advisory Board.*
- RAC (Residents Activity Club) organizes the park social functions.
- HOA (Homeowners Association) Country Lakes Village Homeowners Association, Inc. has been the legal HOA in our park since it was incorporated with the state of Florida in 1988.

What is the HOA and why is it important to join?

- The HOA is not an adversary. It is here for our community as there are no other groups that address our interests. We are comprised of an elected board of directors made up of volunteer homeowner/park residents, and we are your legal representative that is recognized by the State of Florida.
- The HOA stands alone, runs itself and is governed by our bylaws and Chapter 723 of the Florida Statutes, also known as the Florida Mobile Home Act.
- We hold meetings open to members of the HOA to inform and listen to input from members.
- We collectively work on programs that will benefit our community. For example, Lend-a-Tool or Helping Hand program, etc.
- This is your home and community. You should be a part of how it functions. Florida 723.0615 (b), 723.054 grants us the right to join an HOA.
- Homeowners are asked to join today. \$10/year fee includes access to our Facebook page. Contact Cathy Kasch at 941-417-7021 to join.

CLV Resident Advisory Board

Bob Miller, owner of Country Lakes Villages, has an Advisory Board in place, comprised of residents from both parks: CLVI-Sandy Gilbertson, Sue Eckert and Bruce Steltzer; CLVII-Sue Dibble, Kevin Karcher and Bree Borders with Cheryl Koepke who chairs the board. **The Advisory Board handles certain responsibilities until such time that these responsibilities can be undertaken by the HOAs in each community. Mr. Miller will determine when that transition can take place.**

Through the Advisory Board, resident issues are facilitated with Terry West, manager. A form has been created so that your concerns can be submitted in writing to any board member. Forms are available in both clubhouses and from any board member. With Mr. Miller's approval, issues submitted to the board are those which affect more than one household. You are advised to deal individually with Terry West, manager, for personal issues.

The annual review of Rules and Regulations normally done with HOA boards are now done with the Resident Advisory Board. Other responsibilities include the revue and approval of social funds, the direction of improvements in the parks, along with other issues that may arise.

Policy for Scheduling Park Events

To schedule an event in the Clubhouse or any of the Surrounding Areas (i.e. Tiki Hut, Firepit, Pool, Back Patio, etc.) contact our Residents Club President, Jennettie Lierman. Inquiries and confirmation of the day and time of the event MUST be approved by contacting Jennettie, Lot 509, 618-303-3501 or residentsclub5700@gmail.com

Pool Exercise

Each weekday morning at 9:30 a.m. when it's 60 degrees or more, Sandy Porter leads the ladies (and sometimes a gentleman or two) in pool exercises recorded by former leader Micky Jorgensen. Stretching and toning exercises always leave you feeling ready to face the new day.

There is a lot of light conversation (much of the time focusing on food and restaurants) and laughter when ladies (and gentlemen) get together, so the 45 minute routine goes fast. Pool exercise is always easier on the muscles than gym exercise.

If you aren't open to morning exercise, you can always join those who enjoy an afternoon in the sun. The pool is heated and there's a hot tub for you to relax and massage those tired muscles.

New Exercise Room

If you like to exercise on machines and weights, you have to check out the new exercise room located within the Clubhouse. It's definitely not the old exercise room. It even has a TV!
