DECEMBER 2023

VOLUME 36 NO 12

RESIDENTS' ACTIVITY COMMITTEE (RAC)

Anna Syjud, RAC President

We kicked off the season with a record turnout for our first event, the Halloween Party. Thanks to everyone who made this event a success and so special.

As a community, we are taking in cash donations to be given to a needy organization for kids during this holiday season. Cash donations can be dropped off at darts on Tuesday night at the clubhouse or given directly to Walter Hull at 2167 Lakeside. All donations will be greatly appreciated and will help some children have a happy Christmas morning.

We have several fun events planned for December. The Christmas Golf Cart Parade and Gift Exchange with a visit from Santa on December 10th will start the month. Please bring your favorite Christmas Cookies to share and a \$15 or less gift to exchange. Next will be the Christmas Buffet on Saturday, December 16 at 2PM. Rounding out the month will be the CLVII New Years Eve gala. Westbound and Down is the scheduled entertainment for the evening and RAC will be serving hors d' oeuvres and having a champagne toast at midnight to ring in 2024.

Please note that our RAC meetings are held on the third Wednesday of every month at 7PM at the clubhouse. Please plan on attending so you can have a voice in the community activities. RAC is also accepting nominations for open RAC positions. If you are interested in becoming a member of the RAC board, please talk to one of the current board members. RAC also has a suggestion box located inside the side door at the clubhouse for any suggestions you may have.

We look forward to seeing you at our December events.

Sincerely, Anna

HOMEOWNERS' ASSOCIATION (HOA)

Bree Borders, HOA President

Welcome to the Christmas Season. May we all share the joy and peace of the season with those in our community.

The HOA 723 committee met with Bob Miller and Scott Brown from MHM, Mark Lind, John Hall, and Terry West from Newby management on November 6th to discuss the 6.5% rental increase and the additional \$70 market value increase for legacy leaseholders. This exercise, although futile demonstrated to MHM and Newby the HOA's commitment to our membership to be their voice regarding rent increases.

The next HOA meeting will be December 6th. The results of the election will be announced at the HOA meeting. We will welcome a few new faces to the board so please attend and show your appreciation and support at the December 6th membership meeting.

Ron Lorenz reminded the membership to slow down when driving through the community. There are many residents who are walking dogs, bicycling, walking, etc. on the streets during the day and in the evening. Although Ron no longer patrols the park, we thank him for his sincere service over the years.

This will be my last Village Voice article as HOA president. This is my last term for a while. Thanks to all that served on the HOA board during my tenure as president. Have a wonderful holiday season.

Sincerely, Bree

CLVII HOA Board of Directors:

Bree Borders – President
Bill Bazydlo – Vice President
Jackie Russell – Treasurer
Deb Williams – Secretary
Pete Kerns – Director
Theresa Stevens – Director
Linda Weber – Director
Vickie Mensen – Director.

FROM THE MANAGEMENT

Reminders from the Managers Desk

- CONGRATULATIONS TO THE VERY 1ST HOMES OF THE MONTH -NOVEMBER 2023! Rest assured the judging was done by others that would be impartial, not by staff of Country Lakes. Please see photos on page 17.
- The Winners are: CLV1- #505 Bill & Cheryl Pearce; & CLV2 - #2137 Rick & Donna Hinton. Congrats to both winners. Remember this will be an on-going contest so there is still plenty of time to be chosen to be future Home of the Month winners. You will be seeing the signs in the yards of the winners. The sign will remain in the yard the entire month until December's winners are chosen. Those winners will be announced in January's Newsletter.
- **Mowing schedule** will be reduced to two times per month (every other week), December Schedule is as follows: Thurs Dec 7 CLV2 & Fri Dec 8th CLV1; And Thurs Dec 21st CLV2 & Fri Dec 22nd CLV1. Jan-March is still TBD but should be similar. Please keep in mind that if you have holiday yard décor the mowers may skip you during that time to avoid damaging yard

Continued on page 4

décor. Please keep large inflatables to a limit of 1 or 2 to not overdo. Lights are a great way to show your holiday spirit without overstating.

- **Information for all Lux users, any support issues please call Lux Support at 877-589-3015**
- For all of you that are now returning to the park after being away, please remember to check in with the office so we can update the address where you are. You can call, email, or drop by to check in.
- All guests must be registered with the office. Guests must conform to the rules and be limited to no more than 15 consecutive days at a time and no more than 30 days per calendar year. If staying longer the guests must be age-qualified and screened by applying to the office as stated in the Community Rules as well.
- Dog owners need to pick up their own pet's droppings as soon as it happens, this includes in your own yard. This is in the rules and is good practice in helping to keep the park looking its best and to avoid spreading disease. Cats must be kept inside the home except when on a leash. Dogs must always be leashed if outside the home.
- Reminder to mail your payments or have them mailed out in time to meet the deadline of received on or before the 5th of each month. After the 5th, the \$40 late fee is added and if not paid by the 10th, a \$10 per day fee is also added. This fee must be paid and will subject you to enforcement if not paid. Pay on time to avoid this fee as the office is doing the job the owner expects us to do and as the rules dictate.
- Country Lakes Villages is a 55 plus

community and it is important all residents and guests are identified prior to occupancy. Guests must register with the office and can stay for 15 consecutive days and no more than 30 per year. Guests staying longer must be age qualified and screened. Rentals must be for 90 days or more and approved by the office prior to occupancy. Anyone not following this policy should be reported to the office as the safety of all the residents is paramount. Unapproved back door rentals jeopardize the safety and welfare of all residents and won't be tolerated. But again, we must be notified. I have successfully had several underage, unapproved occupants removed from the community with information from concerned residents. Also, I squashed an Air B&B with the help of neighbors. The safety and status as a 55 plus community hinges on residents complying with the rules of the community. Non-compliance will result in legal action and accompanying fees. My objective is to maximize your safety and the value of your home and the community.

- Homeowners are responsible for maintaining all bushes, plants, and sod. The park mows, edges and weed eats. If you want a nice yard it takes water, time, and effort on the homeowner's part. Criticism that the park is mowing dust falls on the homeowner. Invest some time in your yard and the park will be mowing grass, not dust.
- Yard statues, figurines, and ALL types of outside lawn or garden decorations must have the approval of community management before being set up on the lot. Quantity and size will be determined by the Community Manager. Most

items will be permissible if they are in good taste. A recent incident involved a resident removing his decorations as they were deemed excessive by upper management. Many were outraged, while many agreed they were over the top. At any rate, they were asked to be pared down, they opted to remove them all. Holiday decorations are welcome and there shouldn't be a problem in most cases. But before you purchase numerous, large decorations you may want to get approval from management.

- RV's, Boats and trailers must have a current registration and be approved by the office when parked in the RV lot. Failure to do so may result in towing. There are currently a few vehicles that aren't approved by the office or have a current tag. After notification, I will have the vehicles towed, if necessary. This free amenity is to be used for vehicles that are road worthy, not a storage place for useless junk.

NOTES FROM THE EDITOR:

I have a couple updates from this past month. Linda Weber has stepped up to become the coordinator for Pickleball. Thanks to Linda for taking this over from Sandy Kaple. We still have no volunteers to assume the "librarian" duties at the clubhouse. We really do need at least 1 or 2 volunteers to take this job on for the community. The library is such a wonderful place to have available to our residents. Now-a-days, most people read via the internet or Kindle, but some still love the feel of having that book in their hands and reading. Please let the RAC know if you would like to give this opportunity a chance.

This is the time of year when scammers are at their best trying to get your money or personal information.

Here are some tips to help you not get scammed:

- Slow down and be cautious of urgent or unusual requests. This includes via email, text, and in-person attempts to gain private information from you.
- Pay attention to subtle differences (like typos) in email addresses and URLs. When in doubt, retype the proper address yourself.
- Never share confidential information like login IDs, verification codes or passwords.
- Never click on suspicious or unknown links.
- Ignore unsolicited calls, emails, and texts.
- Watch out for any kind of requests for payment: verify requests by contacting service providers directly using known and trusted contact information.

When in doubt please contact a neighbor, friend or family member and make sure you are not opening yourself up to a scammer to defraud you.

You are going to start seeing a new article posted in the Village Voice beginning this month. This article will include the questions asked of Terry West, Community Manager, by members of the Advisory Board in relation to both CLVI and CLVII. This article is titled **"Advisory Board & Terry West Q&A"**.

Hopefully the article will prompt others in the community to put forth questions to the HOA and/or Advisory Board to get issues resolved in our community.

There is a copy of the Advisory Board Input Form included as an attachment in the December edition of the Village Voice. If

ADVISORY BOARD & TERRY WEST Q&A

This meeting was conducted on 10/18/23 at 9am.

1. **Are there plans to replace the rest of the blinds in CLVI?**

Terry was not aware they needed to be replaced. He will look at the situation.

2. **In CLVII, the blind in the exercise room is sagging in the middle. Please replace it with a different type or find a way to repair it.**

Once again, Terry was unaware of this issue; he will look into it.

3. **The Hot Tub in both parks needs massive updating or replacement.**

Terry is currently working on this issue. He has a meeting scheduled with someone who can refinish the interior of the hot tubs.

4. **Smoking areas in both parks need to look decent.**

Terry is aware that these areas are not attractive. He is making changes so they will look better. However, residents continue to

add things which degrade the appearance of the areas.

5. **Does Mr. Miller know about the pool leak in CLVII?**

Mr. Miller is aware of the pool leak in CLV 2. Part of the equipment is going to have to be removed and replaced. Terry continues to work to find a company that will do this.

6. **The fountain by the pool in CLVI hasn't been moved. The extended deck will make problems worse.**

Terry has been made aware of this problem in the past. He has ordered an extension cord of 100 feet which is the maximum that is available. Once it is here the fountain will be moved away from the pool deck.

Terry added that we need a warming oven in both clubhouses to accommodate catered meals. Cheryl will discuss this with Mr. Miller.

Terry stated that owners are responding to the notices regarding yard cleanup. He is charging those for whom our staff must complete the work.

Cheryl Koepke will normally wait for approval from both Terry and the board member who accompanied her before she posts these items in the clubhouse. Once approved, they will be posted in both clubhouses and posted in the following month's Village Voice.

The new advisory board member is Laura Reynolds from CLVII.

Welcome, Laura, to the Residents' Advisory Board.

Attending: Terry West, Cheryl Koepke, Bruce Steltzer

SUNSHINE CORNER

Peggy Seiler, Coordinator

When the clocks fall back, we are preparing for winter – the best time of the year and the time to welcome back our “Snowbirds!”

Some have been away from our village for other reasons. Gladys Cangelosi, for one, and we welcome her back after some serious health issues.

A previous long distant runner, Barry Arnold, is recovering from knee surgery. He is not running yet, but we do want to see him walking in our community again.

Our Fay Wells needed the neck brace, and we are praying for improvement for her too.

Gail Dean took a nasty fall, and she too is in our prayers. She has been in the hospital for a while, but word has it that she is a “Survivor!”

Condolence cards were also given to Joe

DeMay and sons on the passing of Joe’s life spouse of 55 years, Phyllis DeMay. Phyllis passed on November 1st and will be greatly missed by family, neighbors, and friends.

Condolence cards were also given to Gloria, Kevin, and Karen Colby for the loss of a long-standing man in our community, Stan Colby.

May God be the comfort to those who have lost someone so dear to them.

Let us continue to be a community that reaches out to one another. With my sincere gratitude to all that help me too in the CARING outreach.

My phone number is 941-217-9384 and my residence is at Lot # 2110 Lakeside.

Thank you and Blessings,
Peggy

COMMUNITY BULLETIN BOARD

PLEASE WATCH THE COMMUNITY BULLETIN BOARDS AND THE "FRIENDS @ CLVII" FACEBOOK PAGE FOR SCHEDULE AND EVENT DETAILS, CHANGES AND UPDATES.

Attention CLVII residents. Did you know we have internal mailboxes in the Clubhouse? They are in the south side of the hallway between the kitchen and rest rooms, near the side entrance. These boxes are for postage-free communications between residents, and sometimes lost mail, all year long. They are also used after the annual Christmas card boxes are gone, and cards are moved to this location if they have not been picked up. Please check them often in case something is waiting for you!

You have probably noticed the tree trimmers making their rounds through CLVII recently. They are a welcome sight to see. They have been trimming numerous palm trees throughout the community helping to ensure dead or loose fronds don't break off from the storms and high winds during this hurricane season.

Please add your picture to our Picture Board! This helps your neighbors put a face to a name.

RECENT ACTIVITIES IN THE PARK

On October 28 CLVII friends got together to say goodbye to two of our favorite friends and neighbors. Linda Weber made sure they would leave our community with good memories from their friends. Grilled hot dogs with buns and condiments were provided and many brought a dish to pass. What a great send off to Steve and Sandy and they will be greatly missed here at CLVII.

What a great time at the Halloween Party. The decorations were wonderful, and a good time was had by all. Costume winners were Andrea Giovanni, Ron Lorenz, and Jerry and Diane Meyaard. The entertainment was provided by Taylor and Taylor, and they did a great job. Thanks to everyone who made this event a lot of fun for our residents.

Some of our wonderful Karaoke ladies having a fun time at Friday night Karaoke at the clubhouse. This is such a great time to get together with your friends and neighbors. Just BYOB, snacks of your choice, and your amazing voice and have a good time. Even if you don't choose to join in the singing you will still enjoy the evening and go home with a smile on your face and a song in your heart.

AROUND THE CORNER

By Lore Millet

The Holiday Season is just “Around the Corner” and I’m already stressed with early deadlines for the Village Voice. But let’s remember the reason for the season. Getting together with family and friends, being thankful for neighbors and fun activities in our community and most of all, the birth of our Savior.

So, what’s happening “Around the Corner” during the holidays? There’s lots of light up ceremonies, Holiday Cruises on our wonderful waterways, Santa coming to town, craft fairs and plenty of shopping!

Light Up Nights – By the time you get

the Village Voice some of these festivities may have already begun but they are worth looking into anyway.

University Town Center is spectacular this time of year. Their light up night was a few weeks ago but it is worth the trip down there to see all the lights and check out any festivities.

Lakewood Ranch’s Main Street will host a Christmas party with free games, rides, photo booths, attractions for the whole family and a special candlelight service on December 23rd from 4-8. 8100 Lakewood Main Street.

Winter Nights Under the Lights at Palma Sola Botanical Park. They will have acres of lights, Santa, food trucks, live holiday music, gift market, hot cocoa and cider, and hayrides. The festivities take place December 13-17 from 6-9. Admission is free but donations are appreciated. 9800 17th Ave. NW, Bradenton.

Palmetto’s Christmas in the Park will take place on December 1st and 2nd. This is a wonderful time to explore Palmetto Historical Park during the holiday season. Reservations are required by going to www.manateeagmuseum.com. Palmetto Historical Park is located at 515 10th Ave W., Palmetto.

Manatee River Holiday Boat Parade will take place on December 9th at sundown. The best viewing spots will be along the Green Bridge and Palmetto Pier. Last year a group from our park took a cruise on the river to view the boats. It was amazing! You can also make reservations at one of several restaurants along the river. Make sure to call early to get your reservations.

Chuck and I wish you all a Very Merry

Christmas. Keep an eye out on Facebook for some more holiday fun things happening “Around the Corner”. But as I was finishing this I was thinking of all the folks in our park that aren’t able to get out as often as they used to, so wouldn’t it be nice to take a moment to sit and visit with one of your neighbors. I was thinking of perhaps putting a red ribbon on your light post during the holidays to say, “please stop and visit for a few minutes”. If you would like a red ribbon for your light post just email me at lmillet1@live.com and I will put one on your post.
