NOVEMBER 2023

VOLUME 36 NO 11

RESIDENTS' ACTIVITY COMMITTEE (RAC)

Anna Syjud, RAC President

It's great seeing everyone gradually returning. There are great events planned but always need ideas on future planning. If you have any ideas for new events or entertainment, please let your RAC team know. Also, if you are interested in hosting an event you are welcome to volunteer to do so. Just let a RAC member know which event you would like to host.

November 11th, we have our Veterans Day program and Golf Cart parade. RAC will supply hot dogs, buns, condiments, chips, and cake. We are asking for a dish to pass. There will be a sign-up sheet at the clubhouse.

Thanksgiving will be a traditional dinner at 2pm. Whole Turkeys with all the fixings.

Our first membership meeting will be on November 15th at 7pm. We have some vacancies to fill for our RAC board. If you are interested, please come to the meeting or contact one of the board members.

There are many ways your RAC board communicates with our residents regarding meetings and events. We post letters on the clubhouse bulletin board, articles in the Village Voice, monthly resident meetings and the "Friends of CLVII" Facebook page. If you do not have access to the Friends of CLVII Facebook page, please contact Dianne Meyaard or Sharon Benedict for access. If you have any questions at all, the board members are listed in our resident's directory.

Thanks, and hopefully we have a great turnout at the membership meeting.

Cheers to a great season!!

Sincerely, Anna

FROM THE MANAGEMENT

Reminders from the Managers Desk

- Mowing schedule will be reduced to two times per month (every other week), we have not yet been notified of that schedule. I will include that information in the December newsletter. Please keep in mind that if you have holiday yard décor the mowers may skip you during that time to avoid damaging yard décor.
- For all of you that are now returning to the park from being away for the

summer, check in with the office so we can update your present address. You can call, email or drop by.

- Reminder to mail your payments or have them mailed out in time to meet the deadline of receipt on or before the 5th of each month. After the 5th, the \$40 late fee is added and if not paid by the 10th, after the 10th a \$10 per day fee is also added. This fee must be paid and will subject you to enforcement if not paid. Pay on time to avoid this fee as the office is doing the job the owner expects us to do and the rules dictate.
- All guests must be registered with the office. Amenities are for the residents and registered guests, not for local family and friends to use whenever they want, including the pool and exercise rooms. Guests' stay must conform to the rules and be limited to no more than 15 consecutive days at a time, no more than 30 per calendar year. If staying longer, the guests must be age qualified and screened per the rules as well.
- Dog owners need to pick up their pet's droppings as soon as it happens- even if in your yard. This is in the rules and is good practice in helping to keep the park looking its best and to avoid spreading disease. Cats must be kept inside the home except when on a leash, just as dogs must be always leashed if outside the home.
- Reminder to Lux users, if you opted in, then remember that per the form you signed, you cannot opt out later nor put the service on vacation. You will be responsible for the fee if you opted in so the total monthly amount must be received in total as we cannot accept partial payments. If not received in full on or before the 5th of each month, your

Continued on page 4

account will be considered in arrears and late fees outlined above will apply.

- The driveway pavers require minimal maintenance, but to maintain their integrity, they do need joint sand swept into the cracks periodically. Driveways with excessive slope may need it more than flat driveways due to erosion. Washed, screened and dried Joint sand is recommended and can be picked up at most home improvement stores.

NOTES FROM THE EDITOR:

A new addition to the Village Voice is being added this month. It is called Around the Corner, and one of our residents,

From the Editor

Lore Millet, will be submitting this for the Village Voice every month. She will be providing us with information about different activities in and around Palmetto, Bradenton, and nearby communities. Please make sure you read through her article. This will be a great guide to different activities around us. This new article will take the place of the Did You Know article. Any resident who has ideas for articles to add to the Village Voice please do not hesitate to reach out to me to give me those ideas.

I would like to take a moment to advise our residents that Sandy Kaple will be leaving us at the end of this month. We will need to find a resident or two to take over her duties as “librarian” and someone to be the coordinator for Pickleball. If you are interested in either of these, please let me or one of the RAC board members know. Thanks in advance for your commitment to your community.

One last mention, I noticed today that when people are picking up their hard copy of the Village Voice, they are removing the flyers and leaving them in the box. I do understand that most people may not want the handouts, but there is a trash can right around the corner by the back door where you can put them. Thanks in advance.

SUNSHINE CORNER

Peggy Seiler, Coordinator

Though writing this while still in October you will be reading it in November and the weather is cooler, which we are all so very thankful for here in Florida.

We are thankful that Carol Dolloff recovered, but she shared her strep throat with her hubby, Mike, from which he, too, has since recovered.

For those of you who knew Myrtice Leininger, she passed on September 11th and her obituary was posted on the board in the clubhouse. Many of us knew Ken Gravitt who lived on Paradise Way and passed on September 30th. A card was sent to his wife, Della.

Please continue to remember folk like Julia Olsen. Our understanding is that she is in therapy treatments. Pete Kerns has made a very positive turn, and he is no longer getting blood clots in his leg and is having physical therapy.

The Sunshine Committee sent cards to Marsha Lameine who had a bad fall and cracked some ribs, as well as to her daughter, Ivy, who has not been well and is presently undergoing some medical testing.

I think of our community as a caring one and I have only recently come to understand how much the cards that you send and those signed from "Your CLVII Sunshine Family" have meant to the recipients. We do this TOGETHER and it means so much to our residents.

Please, keep me informed of illness, surgery, or deaths in our community. My phone number is 941-217-9384 and my residence is at 2110 Lakeside.

Thank you and Blessings,
Peggy

COMMUNITY BULLETIN BOARD

PLEASE WATCH THE COMMUNITY BULLETIN BOARDS AND THE "FRIENDS @ CLVII" FACEBOOK PAGE FOR SCHEDULE AND EVENT DETAILS, CHANGES AND UPDATES.

Attention CLVII residents. Did you know we have internal mailboxes in the Clubhouse? They are in the south side of the hallway between the kitchen and rest rooms, near the side entrance. These boxes are for postage-free communications between residents, and sometimes lost mail, all year long. They are also used after the annual Christmas card boxes are gone, and cards are moved to this location if they have not been picked up. Please check them often in case something is waiting for you!

You have probably noticed the tree trimmers making their rounds through CLVII recently. They are a welcome sight to see. They have been trimming numerous palm trees throughout the community helping to ensure dead or loose fronds don't break off from the storms and high winds during this hurricane season.

Please add your picture to our Picture Board! This helps your neighbors put a face to a name.

RECENT ACTIVITIES IN THE PARK

On September 30th Janet Stinnett celebrated her 68th birthday with a surprise party set up by Kevin and friends. A great time was had by all the partygoers. Kenny Tuman, one of our residents, performed as the party DJ and everyone enjoyed the music and dancing.

Our clubhouse has been decorated for fall and looks great. After this boiling hot summer, we are more than ready for some fall colors and cooler weather.

The Clubhouse kitchen renovations are now completed and what a transformation. It is so bright, cheerful, and inviting. The décor is also very tasteful (no pun intended) and is perfect for the room.

The game room renovations are also complete. I am sure the pool players will enjoy the addition of one new pool table. Again, the décor is perfect for the room and makes a big difference in the space.

AROUND THE CORNER

By Lore Millet

Welcome to Paradise! Yes, that is what we love about our park, its residents, and this area. We have so many wonderful activities that take place in the park and our Village Voice is so good at letting us know what is going on. But I was thinking of doing a monthly article on things that are going on around our area in the coming months, hence, the name of this article is, "Around the Corner". Things that may be going on around the corner or in the area. While I will try to be as accurate as possible, please check to make sure an activity has not been cancelled or the venue has not been changed. I would also welcome any input you may have on activities or events that you are aware of. The best way to send me info is by email which is, lmillet1@live.com
