## FROM THE MANAGEMENT

In the continued effort to keep Country Lakes the premier community it is and you, as residents, expect. As some of you know, I recently sent out 14-day notices to remedy weeds, trimming and moldy houses etc. As hoped, most responded and had the

work completed in a timely fashion, THANK YOU! However, there were some that did not comply, so I had the yards weeded and trimmed as needed by our lawn service. The fee was \$140 for each home which now becomes due along with the monthly lot rent. If you are billed for this service, please include the invoiced amount with your monthly payment. We cannot accept partial payments, which may cause your account to be delinquent with applicable late fees added.

To avoid this additional non-compliance fee being imposed upon your home, please maintain your home and lot which is a year-round responsibility. For those of you who take pride in ownership, I applaud you and thank you. Aesthetics are important at each home site and I will be dedicating more time to enforcement in that area.

To show that Park Owners & Management are taking this seriously, Country Lakes has decided to initiate a HOME OF THE MONTH PROGRAM. This will begin in November and there will be a monthly choice of 1 home from each park, CLV1 & CLV2. This will be based on the overall appearance of the home, including cleanliness of the home and homesite's landscaping, and when applicable, on decorations too. MHM & Newby Management want to thank you for being a resident and for doing your part to keep your home and the Parks looking good.

OCTOBER

## NOTES FROM THE EDITOR

The September issue of the Village Voice, my first as the new editor, was put to the presses and delivered both in hard copy and electronic versions to our residents. Whew!!!! To say I am learning many new skills is putting it mildly. I hope that I am providing you with a product that is both informative and enjoyable. I do hope that as I move forward with this undertaking, I begin to hone these new skills and our Village Voice, posters, tickets and calendars become more professional and more in line with what you have become accustomed to over the years. I salute those who have come before me as I am only beginning to understand the hard work and dedication it took to provide these items to our community.

Thanks for your support and patience during this transition and period of learning and growing.

Deb Williams

## SUNSHINE CORNER

*Peggy Seiler, Coordinator*

At the time of this writing, it doesn't feel like we are heading into autumn, but before we know it, the season will be here! With it may come some sniffles, runny noses and even some sore throats.

Also, at the time of this writing, our friend Carol Dolloff is just whispering. She has lost her voice and is battling with strep throat. But, by the time you read this we expect that

she will be fully recovered!

Marsha Lameine had a bit of a setback with COPD. It is always a heart thump for us all when we see the ambulance drive down our street. Marsha is recovering well. To put it in her own words, when receiving the get-well card from all of us she said that it meant more to her than winning a big lottery ticket. Guess we don't realize just how much it means that a community cares about us.

We all have had great concerns for our precious friend Gladys Congelosi who had some heart and lung issues. She has been in the prayers of many and her two amazing sons have been here for her. At last report, she has stabilized, and we hope for the soon return of Gladys to her home.

We lost two of our CLV2 folk. We have expressed our condolences to Pat Lambert in the passing of her beloved husband, Del, and to Sherry Laprade in Vermont in the passing of her husband Andre. We feel their grief.

To show love in prayer and in practical ways is the greatest joy we can do for others. TOGETHER we care-and caring is something we do TOGETHER!!!!

Please, keep me informed of illness, surgery or deaths in our community. Thank you.

Thank you and Blessings,

Peggy

**PLEASE WATCH THE COMMUNITY BULLETIN BOARDS AND THE “FRIENDS @ CLVII” FACEBOOK PAGE FOR SCHEDULE AND EVENT DETAILS, CHANGES AND UPDATES.**

Attention CLVII residents. Did you know we have internal mailboxes in the Clubhouse? They are in the south side of the hallway between the kitchen and rest rooms, near the side entrance. These boxes are for

postage-free communications between residents, and sometimes lost mail, all year long. They are also used after the annual Christmas card boxes are gone, and cards are moved to this location if they have not been picked up. Please check them often in case something is waiting for you!

Please add your picture to our Picture Board! ! This helps your neighbors put a face to a name. .

## RECENT ACTIVITIES IN THE PARK

***Our CLVII Labor Day celebration this year was the last of 6 events to complete the RAC 2023 Summer Series. The menu was provided by Carr's Custom Catering and entertainment was Bob and Tom. As usual, CLVII residents had a great time dancing and socializing with their neighbors. Although we, as a community, are sad to see the 2023 Summer Series come to an end we anticipate the return of the snowbirds and the events to follow. We are looking forward to the 2024 Summer Series and if you have any ideas for events, please bring them up at a meeting or see one of your RAC representatives.***

## DID YOU KNOW WHY WE YAWN?

The most popular, but likely wrong, is that

yawning increases levels of oxygen to the brain. A more plausible theory is that yawning cools down the brain. A study conducted on mice found that as mice sucked in air, their jaws stretched – this increases blood flow to the brain. This combination of cooler air intake when yawning mixed with the blood flowing to the brain is thought to eventually cool the brain down.
