SEPTEMBER 2023

VOLUME 36 NO 9

### RESIDENTS' ACTIVITY CLUB (RAC) UPDATE

*Anna Syjud, President*

Summer is flying by; we're looking forward to our return in October. Chet and I have had a very busy summer with weddings, parties, and reunions. We are going on a cruise in September - looking forward to that. It will cover a couple things on my bucket list.

Then after that we'll pack it up here in Michigan and head home to Florida. I've been trying to send rain your way.

Please keep your photos and Facebook posts coming. We sure have been enjoying them. Just so everyone is aware we have our own private Facebook page which is Friends @ CLVII, that is separate from Country Lakes Village, and is meant for both parks and management can view and post.

Our first event after Labor Day is our Halloween Dance entertainment is Taylor and Taylor. We do have a committee that volunteered for that. Thank you so much!

Our first RAC membership meeting will be Wednesday November 15th @7pm. Please mark your calendars. We will have lots to discuss. We will need some much-needed volunteers, committees, and ideas to help with our community events. Hopefully we can work with our HOA together to make our season the best one ever! We do have events on the calendar already from your ideas.

Safe travels for all those that will be traveling south back to Florida.

Sincerely,

Anna

## FROM THE MANAGEMENT

While we are experiencing record high temperatures and low rainfall, the weeds keep growing. Most homes are keeping up with the weeding, trimming and pressure washing, but a few aren't. I will be sending 14-day notices to remedy. If it isn't, I will hire our lawn service to weed and trim and their fee will be due pursuant to the community rules and regulations. Non-payment will result in enforcement action as well as resulting legal fees, if needed. My objective is to maximize the aesthetics for the community as a whole. Maintain your home and lot to avoid the enforcement action, pursuant to Chapter 723 and the rules you agreed to when you signed the community lease. CLV 2 has a young lady that is doing a great job maintaining lots and homes. If you'd like her name, call the office and we will give you the contact information for her. She will try her best to fit you into her already busy schedule.

Occupants must be registered and approved by the office. It is paramount we know who is living in the community at all times. Verification of age, background checks and notification of pets are all essential factors, and we must have that information on file pursuant to the rules and regulations for the communities. I have recently been informed of three lots with unapproved and/or underage occupants. One has been referred to the attorney for enforcement and two have been noticed and enforcement action will commence, if needed. I encourage you to report this information, so I can enforce the rule. Written notification to this office is essential for the enforcement action, and all reports

of any non-compliance are kept confidential (no names are given as to who told us).

Thank you to all of you that came out and enjoyed the Chicken BBQ last month. This was our thank you for your continued residency. Fall is right around the corner so hopefully the temps will begin to be more appropriate for this time of year. Have a great September!

Terry West

## NOTES FROM THE EDITOR

This is the first month that I will be the editor of the Village Voice. I would like to take a moment to thank Deb Autry for her commitment to this community. She undertook responsibility for the Village Voice, the RAC calendar and the event posters and tickets for CLVII. She did a stellar job with all three responsibilities and if you see her in our community please thank her for her efforts.

With that being said, I hope I can uphold her high standards in providing you with an interesting, informative and fun Village Voice. As I said, this is my transition period and I hope anyone with ideas, comments or suggestions reaches out to me so we can continue making our Village Voice the voice of our community.

Thanks for your support and patience during this transition,

Deb Williams

# SUNSHINE CORNER

Peggy Seiler, Coordinator

I just returned from family reunions in Pennsylvania. The news I know about is that our friend Pete Kerns had surgery and we are all hoping for a full recovery for him.

Also, we heard that Julia Olsen has had some health issues and we pray for her full recovery as well. Cards from their CLVII family have been given to them. A card has also been sent to Kathy Lorenzi in Pittsburgh, as she has had lung surgery. We are sorry for any others in our community that have been missed.

I believe that this is a caring community, and we are there for each other. Let's work together to keep it this way as we stay TOGETHER, being mindful of the needs around us. Help me to know what's happening – call me at 941-217-9384 or send a text message or drop by at 2110 Lakeside.

Thank you and Blessings,

Peggy

Attention CLVII residents. Did you know we have internal mailboxes in the Clubhouse? They are in the south side of the hallway between the kitchen and rest rooms, near the side entrance. These boxes are for

postage-free communications between residents, and sometimes lost mail, all year long. They are also used after the annual Christmas card boxes are gone, and cards are moved to this location if they have not been picked up. Please check them often in case something is waiting for you!

Please add your picture to our Picture Board! ! This helps your neighbors put a face to a name. .

## DISNEYLAND HAS AN UNDERGROUND TUNNEL SYSTEM?

There are lots of quirky things that some think are underneath Disney parks, but there literally are! The tunnels were built in response to characters having to run through other lands to get to their posts, which spoiled the magic. Thanks to the tunnels, you won't see a Tomorrowland spaceman in the Old West-inspired Frontierland.

## RECENT ACTIVITIES IN THE PARK

*The heat didn't stop our folks from celebrating another Summer Series event - it was cool in the clubhouse! Whether dancing, enjoying the buffet from Rick Carr Catering (previously Econo Catering), or being entertained by The Funky Monkey, CLVII knows how to have a great time. And once again Jello shots were available to enjoy.*

***Pickleball players worked together with the CLVII HOA and the Advisory Board to get management to provide shading for the benches under the Tiki Huts at the Pickleball court. When we work together as a team good things can happen. A special thanks to Jeff and Linda Naylor for bringing this to the forefront and submitting the necessary documentation to make it happen***

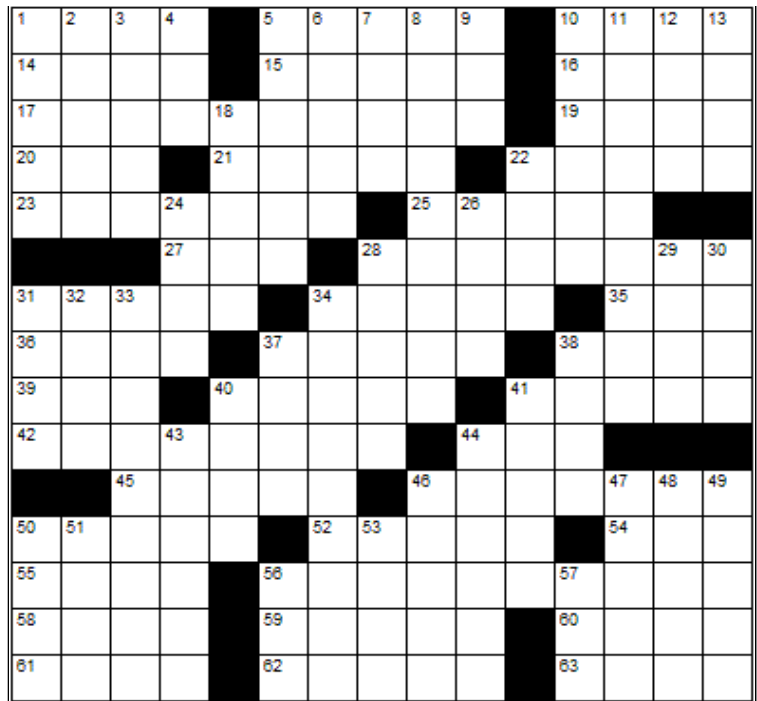

***Two of our residents celebrated milestone birthdays in July/August. Dianne Ruthven-Meyaard celebrated her July 27th birthday with family and friends at the CLVII clubhouse. Leslie Molinaro also celebrated the “Big 60” on September 24th with friends and family. Happy Birthday to both of you and wishes for many more years to follow.***
